Popular Science

Mr. Mark Jannot, Sr. Editor:

Do any of these subjects, have any interest for Popular Science/yourself?

Blu-Ray Genesis

<http://www.cifaldi.org/files/Blu-Ray%20DVD%20Genesis-System.pdf>

Author: Look and see HOW I had a part in developing the Blu-Ray DVD System!

Double-Quadruple Principle (DQP)

http://www.cifaldi.org/files/Double%20Quadruple%20Principle%20_DQP_%20%20Explanation%20Jan%2010-2009.pdf

Author: The (DQP) applies to many different disciplines, including the formation of the picture on T.V. Tubes, including the broadcasting T.V. signals over the air; the electrical output of wind-generators and more. [as you will see, in the (DQP) paper I authored].

Pedigree Cifaldi, A. Carmine

Author Life -long recounting of highlights of Carmine A Cifaldi Sr.

<http://www.cifaldi.org/files/PEDIGREE%208-5-09%20%20for%20Carmine%20Cifaldi.pdf>

Global Warming/Oil Crises (An alternative view to global Warming)

<http://www.cifaldi.org/files/Global%20Warming%20&%20Oil%20Crises%2011-22-2008.pdf>

Author: My view is that NATURE knows better than man, what it must do, to keep humanity alive! The world population, is increasing by Over 92 Million people EVERY YEAR!

TTEC 98 Page The Ideal Educational System/Two Teachers in Every Classroom

<http://www.cifaldi.org/files/TTEC%2098%20Page%20Update%2010-26-2009.pdf>

Essentially, this is an update of my book...The Ideal Educational System

Yours truly,
Carmine Cifaldi
